

Thank you for trusting us!

**DR** DE LA ROSA  
RESEARCH

We accompany you to take the first step

Hi, before you turn on the Color Mixer it is important to consider the following information.

# SOFTWARE

## Read the software manual, download and install

Our software is called SoftSuite2. Contains unique functions for equipments De La Rosa Research. This software provides control for the following products:

- Card Sorting Box
- Depth Perception Apparatus
- The Illusionator Set
- Linear Movement Apparatus
- Light Discrimination Apparatus
- Color Mixer

In addition you can find the tool: Virtual LCD Control  
\*(Currently only for Linear Movement Apparatus)

Download the SoftSuite2 software / Copy and paste the link into your browser:

<https://delarosaresearch.com/downloads.php?p=144>

Download the SoftSuite2 User's manual / Copy and paste the link into your browser:

<https://delarosaresearch.com/uploads/manual/manual-SoftSuite/Manual-SoftSuite-2021-Ingles.pdf>

A dark, grayscale image showing a hand holding a pen over a document. The image is dimly lit, with the hand and pen appearing as dark shapes against a lighter, textured background of paper. The overall tone is somber and focused.

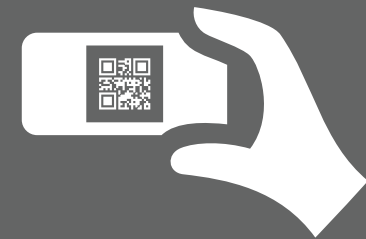

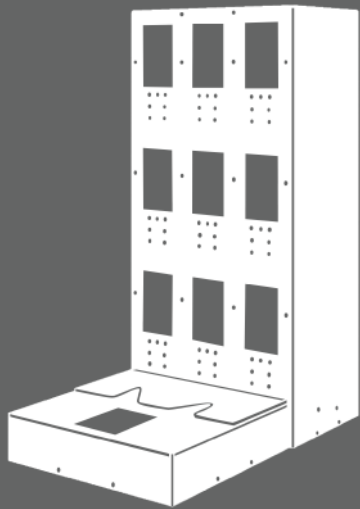

Then find the manual of the equipment you purchased.
